JOIN THE FRIENDS OF THE CHOIR

Do you love choral music? Do you follow the concerts of the Ensemble Vocal de Terre Sainte (EVTS)? Would you like to support the cultural richness of your region? Come and join the EVTS community and offer your support!

As loyal listeners, you have experienced our varied and colourful concerts. EVTS is proud to be one of the **jewels of choral singing in the Lake Geneva region.**

The choir members – more than fifty in total with twelve different nationalities - are proud to contribute to its artistic beauty. **They want to share their passion with others.**

Taking a comparison with the world of sport: while not everyone is called upon to play on the field, the game is also won thanks to the loyalty and **shared emotion of the supporters!**

We are therefore delighted to invite you to join our ranks, **sharing the beauty of our music by forging bonds with our listeners!**

EVTS concerts have become a part of the cultural life of Terre Sainte. We have always provided free entry for concerts with a retiring collection. But this far from covers the real costs to achieve the quality we strive for, **a quality that also involves the contribution of top-flight professional musicians.**

The choir's finances are funded by annual membership fees, supplemented by regular support from METS (Musique à l'Eglise en Terre Sainte), the Terre Sainte Cultural Commission and, on an ad hoc basis, local companies and institutions. Unfortunately, these amounts are not sufficient to sustain our artistic objectives, which can sometimes influence our choice of repertoire and/or orchestral accompaniment. **EVTS therefore regularly seeks new sources of income.**

Joining the **FRIENDS OF THE CHOIR** means supporting our goals...

...and participating in an adventure of music and human interaction that has been going on for over 100 years. It also means helping us to look to the future with all our artists, for our region, for our audience, for you!

We would be delighted to count you among our FRIENDS. Becoming a friend of EVTS has an annual membership fee of CHF 50 per person or CHF 80 per household, but we welcome donations at any time.

As a friend of EVTS, you will receive advance information about our concerts several times a year, and **you will be personally invited to go behind the scenes of the choir to attend *pedagogical rehearsals*** specially designed for you. These evenings will end with a friendly drink with the choir and their conductor.

You can register to become a friend here: www.evts.ch/amis-de-levts/

You can pay your membership fee or make a donation by a bank transfer with the subject « amis du chœur » or using Twint:
